

# Finding a vision provider in California

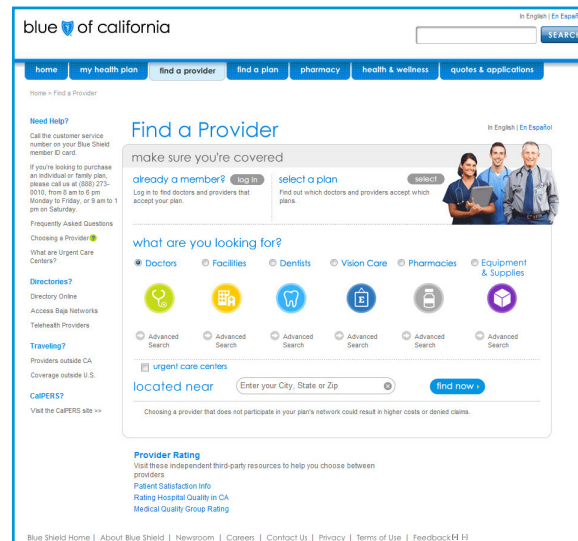

Finding providers is easy on [blueshieldca.com](https://www.blueshieldca.com). With our online tool you can find health, dental, and vision care providers and create your own provider directory, customized based on your search settings. The following instructions will help you to find a network vision provider in California.

## Find a vision provider in California step-by-step instructions:

- **Visit [blueshieldca.com](https://www.blueshieldca.com).**  
Click on member tab, then select *Find a Provider*.
- **Already a member?**  
Log in. You must be registered to log in. If you haven't registered yet, please visit *Register Now* for instructions.
- **Your Plans**  
Click on *Change Selection*. Choose your vision care plan, and then click *Set Plan*.
  - Discount Vision Providers – No vision plan needed to find providers who participate in Blue Shield of California's Discount Vision Program.
  - Eye Exam Only plan (Large Group members only)
  - Vision plans (Individual and Family Plans or Group plans)
- **What Are You Looking For?**  
Select *Vision Care*.
- **Advanced Search (optional)**  
Select the type of care you need, or continue to the next step and refine your search on the Vision Care Results page.
- **Located Near**  
Enter a location, city, state, or ZIP code.
- **Find Now**  
View your results!

## Your vision care results:

- **Your Plans**  
Click on *Change Selection* to view a different plan selection.
- **Compare Providers**  
Select the check box next to providers to compare specialties, distance, office hours, and plan participation.

## Refine your results with helpful filters:

- **Keyword**
- **Category**
- **Discount Vision**
- **Language**
- **Provider Availability**
- **Sort by distance or alphabetically**
- **Edit location or distance**

## Special features:

- **View Map**
- **Save This Search**
- **Get Results as PDF**  
Save the search results as a personal directory to download, print, or email.
