

BlueCross BlueShield Find the Doctor of your choice:

1) Visit <http://provider.bcbs.com/>

2) Click on the **Choose a location and plan** button.

3) Enter your desired search location in the text box and click the **Yes, this is correct** button.

4) Next you will need to enter in your plan prefix, which is the first three letters of your Subscriber ID. See below for an example on what to input.

Find your plan by prefix

The three letters at the beginning of your member ID number make up your plan prefix. Type your three-letter prefix below and we'll find your plan for you.

Member Name	Dependents		
Member ID	Dependent One Dependent Two Dependent Three		
Member ID: XYZ 1456789	Plan No. 023457	Plan	PPO
BIN 987654	Benefit Plan HIOPT	Office Visit	\$15
Effective Date 00/00/00		Specialist Copay	\$15
		Emergency	\$75
		Deductible	\$50

5) You can then customize your search options by either searching for doctors or places by name or type, click whichever option you prefer.

Doctors by name	Doctors by specialty	Places by name	Places by type
Search all		Advanced search	

6) For this example, I searched for a Primary Care Physician, but you can search using any key words or specialties that you need.
