

**NOTICE OF PROTECTION PROVIDED BY
CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION**

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association (“the Association”). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers' care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations or the rights or obligations of the Association.

COVERAGE

● **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

● **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

● **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

● **Life Insurance**

80% of death benefits but not to exceed \$300,000

80% of cash surrender or withdrawal values but not to exceed \$100,000

● **Annuities and Structured Settlement Annuities**

80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

● **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of April 1, 2011, is \$470,125. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state.
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).

NOTICES

Insurance companies or their agents are required by law to give or send you this notice. Policyholders with additional questions should first contact their insurer or agent. To learn more about coverages provided by the Association, please visit the Association's website at www.califega.org, or contact either of the following:

Insurance companies and agents are not allowed by California law to use the existence of the Association or its coverage to solicit, induce or encourage you to purchase any form of insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and California law, then California law will control.

SCHEDULE OF BENEFITS

Premium Due Date: The last day of each month

Classes of Eligible Employees

Class 1 All active, Full-time Employees of the Employer regularly working a minimum of 30 hours per week.

SCHEDULE OF BENEFITS FOR CLASS 1

Eligibility Waiting Period

For Employees hired on or before the Policy Effective Date: The first of the month on or after 30 days of Active Service

For Employees hired after the Policy Effective Date: The first of the month on or after 30 days of Active Service

The *Eligibility Waiting Period* does not apply if a former Employee is rehired within 3 months after his or her termination date and the former Employee had satisfied the *Eligibility Waiting Period* prior to his or her termination date. If a former Employee did not fully satisfy the *Eligibility Waiting Period* prior to his or her termination date, credit will be given for any time that was satisfied.

The *Eligibility Waiting Period* does not apply if a part-time Employee becomes eligible under a Class of Eligible Employees and the part-time Employee had satisfied the *Eligibility Waiting Period* prior to his or her becoming eligible. If a part-time Employee did not fully satisfy the *Eligibility Waiting Period* prior to the date he or she became eligible under a Class of Eligible Employees, credit for his or her Active Service as a part-time Employee will be given to satisfy the *Eligibility Waiting Period*.

Definition of Disability/Disabled

The Employee is considered Disabled if, solely because of Injury or Sickness, he or she is:

1. unable to perform the material duties of his or her Regular Occupation; and
2. unable to earn 80% or more of his or her Indexed Earnings from working in his or her Regular Occupation.

After Disability Benefits have been payable for 24 months, the Employee is considered Disabled if, solely due to Injury or Sickness, he or she is:

1. unable to perform the material duties of any occupation for which he or she is, or may reasonably become, qualified based on education, training or experience; and
2. unable to earn 60% or more of his or her Indexed Earnings.

The Insurance Company will require proof of earnings and continued Disability.

Definition of Covered Earnings

Covered Earnings means an Employee's wage or salary as reported by the Employer for work performed for the Employer as in effect just prior to the date Disability begins. It includes earnings received from overtime pay, but not bonuses, commissions or other extra compensation. Covered Earnings are determined initially on the date an Employee applies for coverage. A change in the amount of Covered Earnings is effective on the Policy Anniversary following the change, if the Employer gives us written notice of the change and the required premium is paid.

Overtime pay will be averaged for the 12 months just prior to the date Disability begins, or the months employed, if less than 12 months.

Any increase in an Employee's Covered Earnings will not be effective during a period of continuous Disability.

Elimination Period 180 days

Gross Disability Benefit The lesser of 66.67% of an Employee's monthly Covered Earnings rounded to the nearest dollar or the Maximum Disability Benefit.

Maximum Disability Benefit	\$15,000 per month
Minimum Disability Benefit	The greater of \$100 or 10% of an Employee's Monthly Benefit prior to any reductions for Other Income Benefits.

Disability Benefit Calculation

The Disability Benefit payable to the Employee is figured using the Gross Disability Benefit, Other Income Benefits and the Return to Work Incentive. Monthly Benefits are based on a 30-day month. The Disability Benefit will be prorated if payable for any period less than a month.

During any month the Employee has no Disability Earnings, the monthly benefit payable is the Gross Disability Benefit less Other Income Benefits. During any month the Employee has Disability Earnings, benefits are determined under the Return to Work Incentive. Benefits will not be less than the minimum benefit shown in the Schedule of Benefits except as provided under the section Minimum Benefit.

"Other Income Benefits" means any benefits listed in the Other Income Benefits provision that an Employee receives on his or her own behalf or for dependents, or which the Employee's dependents receive because of the Employee's entitlement to Other Income Benefits.

Return to Work Incentive

During any month the Employee has Disability Earnings, his or her benefits will be calculated as follows.

The Employee's monthly benefit payable will be calculated as follows during the first 24 months disability benefits are payable and the Employee has Disability Earnings:

1. Add the Employee's Gross Disability Benefit and Disability Earnings.
2. Compare the sum from 1. to the Employee's Indexed Earnings.
3. If the sum from 1. exceeds 100% of the Employee's Indexed Earnings, then subtract the Indexed Earnings from the sum in 1.
4. The Employee's Gross Disability Benefit will be reduced by the difference from 3., as well as by Other Income Benefits.
5. If the sum from 1. does not exceed 100% of the Employee's Indexed Earnings, the Employee's Gross Disability Benefit will be reduced by Other Income Benefits.

After disability benefits are payable for 24 months, the monthly benefit payable is the Gross Disability Benefit reduced by Other Income Benefits and 50% of Disability Earnings.

No Disability Benefits will be paid, and insurance will end if the Insurance Company determines the Employee is able to work under a modified work arrangement and he or she refuses to do so without Good Cause.

Additional Benefits

ELIGIBILITY FOR INSURANCE

An Employee in one of the Classes of Eligible Employees shown in the Schedule of Benefits is eligible to be insured on the Policy Effective Date, or the day after he or she completes the Eligibility Waiting Period, if later. The Eligibility Waiting Period is the period of time the Employee must be in Active Service to be eligible for coverage. It will be extended by the number of days the Employee is not in Active Service.

Except as noted in the Reinstatement Provision, if an Employee terminates coverage and later wishes to reapply, or if a former Employee is rehired more than 3 months after his or her termination date, a new Eligibility Waiting Period must be satisfied. An Employee is not required to satisfy a new Eligibility Waiting Period if he or she is a former Employee and is rehired within 3 months of his or her termination date or insurance ends because he or she is no longer in a Class of Eligible Employees, but continues to be employed and within one year becomes a member of an eligible class.

TL-004710

EFFECTIVE DATE OF INSURANCE

An Employee will be insured on the date he or she becomes eligible, if the Employee is not required to contribute to the cost of this insurance.

If an Employee is not in Active Service on the date insurance would otherwise be effective, it will be effective on the date he or she returns to any occupation for the Employer on a Full-time basis.

TL-004712

TERMINATION OF INSURANCE

An Employee's coverage will end on the earliest of the following dates:

1. the date the Employee is eligible for coverage under a plan intended to replace this coverage;
2. the date the Policy is terminated;
3. the date the Employee is no longer in an eligible class;
4. the day after the end of the period for which premiums are paid;
5. the date the Employee is no longer in Active Service;
6. the date benefits end for failure to comply with the terms and conditions of the Policy.

Disability Benefits will be payable to an Employee who is entitled to receive Disability Benefits when the Policy terminates, if he or she remains disabled and meets the requirements of the Policy. Any period of Disability, regardless of cause, that begins when the Employee is eligible under another group disability coverage provided by any employer, will not be covered.

TL-007505.00

CONTINUATION OF INSURANCE

This Continuation of Insurance provision modifies the Termination of Insurance provision to allow insurance to continue under certain circumstances if the Insured Employee is no longer in Active Service. Insurance that is continued under this provision is subject to all other terms of the Termination of Insurance provisions.

Disability Insurance continues if an Employee's Active Service ends due to a Disability for which benefits under the Policy are or may become payable. Premiums for the Employee will be waived while Disability Benefits are payable. If the Employee does not return to Active Service, this insurance ends when the Disability ends or when benefits are no longer payable, whichever occurs first.

If an Employee's Active Service ends due to an approved leave pursuant to the Family and Medical Leave Act (FMLA), insurance will continue up to the later of the period of his or her approved FMLA leave or the leave period required by law in the state in which he or she is employed. Premiums are required for this coverage.

If an Employee's Active Service ends due to any other leave of absence approved in writing by the Employer prior to the date the Employee ceases work, insurance will continue for an Employee for up to 6 months. Premiums are required for this coverage. An approved leave of absence does not include Furlough, Temporary Layoff or termination of employment.

If an Employee's Active Service ends due to any other excused short term absence from work that is reported to the Employer timely in accordance with the Employer's reporting requirements for such short term absence, insurance for an Employee will continue until the earlier of:

- a. the date the Employee's employment relationship with the Employer terminates;
- b. the date premiums are not paid when due;
- c. the end of the 30 day period that begins with the first day of such excused absence;
- d. the end of the period for which such short term absence is excused by the Employer.

Notwithstanding any other provision of this policy, if an Employee's Active Service ends due to layoff, termination of employment or any other termination of the employment relationship, insurance will terminate and Continuation of Insurance under this provision will not apply.

If an Employee's insurance is continued pursuant to this Continuation of Insurance provision, and he or she becomes Disabled during such period of continuation, Disability Benefits will not begin until the later of the date the Elimination Period is satisfied or the date he or she is scheduled to return to Active Service.

TAKEOVER PROVISION

This provision applies only to Employees eligible under this Policy who were covered for long term disability coverage on the day prior to the effective date of this Policy under the Prior Plan provided by the Policyholder or by an entity that has been acquired by the Policyholder.

- A. This section A applies to Employees who are not in Active Service on the day prior to the effective date of this Policy due to a reason for which the Prior Plan and this Policy both provide for continuation of insurance. If required premium is paid when due, the Insurance Company will insure an Employee to which this section applies against a disability that occurs after the effective date of this Policy for the affected employee group. This coverage will be provided until the earlier of the date: (a) the employee returns to Active Service, (b) continuation of insurance under the Prior Plan would end but for termination of that plan; or (c) the date continuation of insurance under this Policy would end if computed from the first day the employee was not in Active Service. The Policy will provide this coverage as follows:
1. If benefits for a disability are covered under the Prior Plan, no benefits are payable under this Plan.
 2. If the disability is not a covered disability under the Prior Plan solely because the plan terminated, benefits payable under this Policy for that disability will be the lesser of: (a) the disability benefits that would have been payable under the Prior Plan; and (b) those provided by this Policy. Credit will be given for partial completion under the Prior Plan of Elimination Periods and partial satisfaction of pre-existing condition limitations.
- B. The Elimination Period under this Policy will be waived for a Disability which begins while the Employee is insured under this Policy if all of the following conditions are met:
1. The Disability results from the same or related causes as a Disability for which monthly benefits were payable under the Prior Plan;
 2. Benefits are not payable for the Disability under the Prior Plan solely because it is not in effect;
 3. An Elimination Period would not apply to the Disability if the Prior Plan had not ended;
 4. The Disability begins within 6 months of the Employee's return to Active Service and the Employee's insurance under this Policy is continuous from this Policy's Effective Date.
- C. Except for any amount of benefit in excess of a Prior Plan's benefits, the Pre-existing Condition Limitation will not apply to an Employee covered under a Prior Plan who satisfied the pre-existing condition limitation, if any, under that plan. If an Employee, covered under a Prior Plan, did not fully satisfy the pre-existing condition limitation of that plan, credit will be given for any time that was satisfied under the Prior Plan's pre-existing condition limitation.

Benefits will be determined based on the lesser of: (1) the amount of the gross disability benefit under the Prior Plan and any applicable maximums; and (2) those provided by this Policy.

If benefits are payable under the Prior Plan for the Disability, no benefits are payable under this Policy.

DESCRIPTION OF BENEFITS

The following provisions explain the benefits available under the Policy. Please see the Schedule of Benefits for the applicability of these benefits to each class of Insureds.

Disability Benefits

The Insurance Company will pay Disability Benefits if an Employee becomes Disabled while covered under this Policy. The Employee must satisfy the Elimination Period, be under the Appropriate Care of a Physician, and meet all the other terms and conditions of the Policy. He or she must provide the Insurance Company, at his or her own expense, satisfactory proof of Disability before benefits will be paid. The Disability Benefit is shown in the Schedule of Benefits.

The Insurance Company will require continued proof of the Employee's Disability for benefits to continue.

Elimination Period

The Elimination Period is the period of time an Employee must be continuously Disabled before Disability Benefits are payable. The Elimination Period is shown in the Schedule of Benefits.

A period of Disability is not continuous if separate periods of Disability result from unrelated causes.

Disability Benefit Calculation

The Disability Benefit Calculation is shown in the Schedule of Benefits. Monthly Disability Benefits are based on a 30 day period. They will be prorated if payable for any period less than a month. If an Employee is working while Disabled, the Disability Benefit Calculation will be the Return to Work Incentive.

Return to Work Incentive

The Return to Work Incentive is shown in the Schedule of Benefits. An Employee may work for wage or profit while Disabled. In any month in which the Employee works and a Disability Benefit is payable, the Return to Work Incentive applies.

The Insurance Company will, from time to time, review the Employee's status and will require satisfactory proof of earnings and continued Disability.

Minimum Benefit

The Insurance Company will pay the Minimum Benefit shown in the Schedule of Benefits despite any reductions made for Other Income Benefits. The Minimum Benefit will not apply if benefits are being withheld to recover an overpayment of benefits.

Other Income Benefits

An Employee for whom Disability Benefits are payable under this Policy may be eligible for benefits from Other Income Benefits. If so, the Insurance Company may reduce the Disability Benefits by the amount of such Other Income Benefits.

Other Income Benefits include:

1. any amounts received (or assumed to be received*) by the Employee or his or her dependents under:
 - the Canada and Quebec Pension Plans;
 - the Railroad Retirement Act;
 - any local, state, provincial or federal government disability or retirement plan or law payable for Injury or Sickness provided as a result of employment with the Employer;
 - any sick leave or salary continuation plan of the Employer;
 - any work loss provision in mandatory "No-Fault" auto insurance.

2. any Social Security disability or retirement benefits the Employee or any third party receives (or is assumed to receive*) on his or her own behalf or for his or her dependents; or which his or her dependents receive (or are assumed to receive*) because of his or her entitlement to such benefits.
3. any Retirement Plan benefits funded by the Employer. "Retirement Plan" means any defined benefit or defined contribution plan sponsored or funded by the Employer. It does not include an individual deferred compensation agreement; a profit sharing or any other retirement or savings plan maintained in addition to a defined benefit or other defined contribution pension plan, or any employee savings plan including a thrift, stock option or stock bonus plan, individual retirement account or 401(k) plan.
4. any proceeds payable under any franchise or group insurance or similar plan. If other insurance applies to the same claim for Disability, and contains the same or similar provision for reduction because of other insurance, the Insurance Company will pay for its pro rata share of the total claim. "Pro rata share" means the proportion of the total benefit that the amount payable under one policy, without other insurance, bears to the total benefits under all such policies.
5. any amounts received (or assumed to be received*) by the Employee or his or her dependents under any workers' compensation, occupational disease, unemployment compensation law or similar state or federal law payable for Injury or Sickness arising out of work with the Employer, including all permanent and temporary disability benefits. This includes any damages, compromises or settlement paid in place of such benefits, whether or not liability is admitted.
6. any amounts paid because of loss of earnings or earning capacity through settlement, judgment, arbitration or otherwise, where a third party may be liable, regardless of whether liability is determined.

Dependents include any person who receives (or is assumed to receive*) benefits under any applicable law because of an Employee's entitlement to benefits.

*See the Assumed Receipt of Benefits provision.

Increases in Other Income Benefits

Any increase in Other Income Benefits during a period of Disability due to a cost of living adjustment will not be considered in calculating the Employee's Disability Benefits after the first reduction is made for any Other Income Benefits. This section does not apply to any cost of living adjustment for Disability Earnings.

Lump Sum Payments

Other Income Benefits or earnings paid in a lump sum will be prorated over the period for which the sum is given. If no time is stated, the lump sum will be prorated over five years.

If no specific allocation of a lump sum payment is made, then the total payment will be an Other Income Benefit.

Assumed Receipt of Benefits

The Insurance Company will assume the Employee (and his or her dependents, if applicable) are receiving benefits for which they are eligible from Other Income Benefits. The Insurance Company will reduce the Employee's Disability Benefits by the amount from Other Income Benefits it estimates are payable to the Employee and his or her dependents.

The Insurance Company will waive Assumed Receipt of Benefits, except for Disability Earnings for work the Employee performs while Disability Benefits are payable, if the Employee:

1. provides satisfactory proof of application for Other Income Benefits;
2. signs a Reimbursement Agreement;
3. provides satisfactory proof that all appeals for Other Income Benefits have been made unless the Insurance Company determines that further appeals are not likely to succeed; and
4. submits satisfactory proof that Other Income Benefits were denied.

The Insurance Company will not assume receipt of any pension or retirement benefits that are actuarially reduced according to applicable law, until the Employee actually receives them.

Social Security Assistance

The Insurance Company may help the Employee in applying for Social Security Disability Income (SSDI) Benefits, and may require the Employee to file an appeal if it believes a reversal of a prior decision is possible.

The Insurance Company will reduce Disability Benefits by the amount it estimates the Employee will receive, if the Employee refuses to cooperate with or participate in the Social Security Assistance Program.

Recovery of Overpayment

The Insurance Company has the right to recover any benefits it has overpaid. The Insurance Company may use any or all of the following to recover an overpayment:

1. request a lump sum payment of the overpaid amount;
2. reduce any amounts payable under this Policy; and/or
3. take any appropriate collection activity available to it.

The Minimum Benefit amount will not apply when Disability Benefits are reduced in order to recover any overpayment.

If an overpayment is due when the Employee dies, any benefits payable under the Policy will be reduced to recover the overpayment.

Successive Periods of Disability

A separate period of Disability will be considered continuous:

1. if it results from the same or related causes as a prior Disability for which benefits were payable; and
2. if, after receiving Disability Benefits, the Employee returns to work in his or her Regular Occupation for less than 6 consecutive months; and
3. if the Employee earns less than the percentage of Indexed Earnings that would still qualify him or her to meet the definition of Disability/Disabled during at least one month.

Any later period of Disability, regardless of cause, that begins when the Employee is eligible for coverage under another group disability plan provided by any employer will not be considered a continuous period of Disability.

For any separate period of disability which is not considered continuous, the Employee must satisfy a new Elimination Period.

LIMITATIONS

Limited Benefit Periods for Mental or Nervous Disorders

The Insurance Company will pay Disability Benefits on a limited basis during an Employee's lifetime for a Disability caused by, or contributed to by, any one or more of the following conditions. Once 24 monthly Disability Benefits have been paid, no further benefits will be payable for any of the following conditions.

- 1) Anxiety disorders
- 2) Delusional (paranoid) disorders
- 3) Depressive disorders
- 4) Eating disorders
- 5) Mental illness
- 6) Somatoform disorders (psychosomatic illness)

If, before reaching his or her lifetime maximum benefit, an Employee is confined in a hospital for more than 14 consecutive days, that period of confinement will not count against his or her lifetime limit. The confinement must be for the Appropriate Care of any of the conditions listed above.

Limited Benefit Periods for Alcoholism and Drug Addiction or Abuse

The Insurance Company will pay Disability Benefits on a limited basis during an Employee's lifetime for a Disability caused by, or contributed to by, any one or more of the following conditions. If, before reaching his or her lifetime maximum benefit, an Employee is confined in a hospital for more than 14 consecutive days, that period of confinement will not count against his or her lifetime limit. The confinement must be for the Appropriate Care of any of the conditions listed above.

Pre-Existing Condition Limitation

The Insurance Company will not pay benefits for any period of Disability caused or contributed to by, or resulting from, a Pre-existing Condition. A "Pre-existing Condition" means any Injury or Sickness for which the Employee incurred expenses, received medical treatment, care or services including diagnostic measures, took prescribed drugs or medicines, or for which a reasonable person would have consulted a Physician within 3 months before his or her most recent effective date of insurance.

The Pre-existing Condition Limitation will apply to any added benefits or increases in benefits. This limitation will not apply to a period of Disability that begins after an Employee is covered for at least 12 months after his or her most recent effective date of insurance, or the effective date of any added or increased benefits.

ADDITIONAL BENEFITS

Rehabilitation During a Period of Disability

If the Insurance Company determines that a Disabled Employee is a suitable candidate for rehabilitation, the Insurance Company may require the Employee to participate in a Rehabilitation Plan and assessment at our expense. The Insurance Company has the sole discretion to approve the Employee's participation in a Rehabilitation Plan and to approve a program as a Rehabilitation Plan. The Insurance Company will work with the Employee, the Employer and the Employee's Physician and others, as appropriate, to perform the assessment, develop a Rehabilitation Plan, and discuss return to work opportunities.

The Rehabilitation Plan may, at the Insurance Company's discretion, allow for payment of the Employee's medical expense, education expense, moving expense, accommodation expense or family care expense while he or she participates in the program.

If an Employee fails to fully cooperate in all required phases of the Rehabilitation Plan and assessment without Good Cause, no Disability Benefits will be paid, and insurance will end.

TL-007501.00

Survivor Benefit

The Insurance Company will pay a Survivor Benefit if an Employee dies while Monthly Benefits are payable. The Employee must have been continuously Disabled before the first benefit is payable. These benefits will be payable for the Maximum Benefit Period for Survivor Benefits.

Benefits will be paid to the Employee's Spouse. If there is no Spouse, benefits will be paid in equal shares to the Employee's surviving Children. If there are no Spouse and no Children, benefits will be paid to the Employee's estate.

"Spouse" means an Employee's lawful spouse. "Children" means an Employee's unmarried children under age 26 who are chiefly dependent upon the Employee for support and maintenance. The term includes a stepchild living with the Employee at the time of his or her death.

TL-005107

TERMINATION OF DISABILITY BENEFITS

1. the date the Employee earns from any occupation, more than the percentage of Indexed Earnings set forth in the definition of Disability applicable to him or her at that time;
2. the date the Insurance Company determines he or she is not Disabled;
3. the end of the Maximum Benefit Period;
4. the date the Employee dies;
5. the date the Employee refuses, without Good Cause, to fully cooperate in all required phases of the Rehabilitation Plan and assessment;
6. the date the Employee is no longer receiving Appropriate Care;
7. the date the Employee fails to cooperate with the Insurance Company in the administration of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Benefits may be resumed if the Employee begins to cooperate fully in the Rehabilitation Plan within 30 days of the date benefits terminated.

TL-007502.00

3. active participation in a riot.
4. commission of a felony.

In addition, the Insurance Company will not pay Disability Benefits for any period of Disability during which the Employee is incarcerated in a penal or correctional institution.

CLAIM PROVISIONS

Notice of Claim

Written notice, or notice by any other electronic/telephonic means authorized by the Insurance Company, must be given to the Insurance Company within 31 days after a covered loss occurs or begins or as soon as reasonably possible. If written notice, or notice by any other electronic/telephonic means authorized by the Insurance Company, is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at our home office in Philadelphia, Pennsylvania or to our agent. Notice should include the Employer's Name, the Policy Number and the claimant's name and address.

Claim Forms

When the Insurance Company receives notice of claim, the Insurance Company will send claim forms for filing proof of loss. If claim forms are not sent within 15 days after notice is received by the Insurance Company, the proof requirements will be met by submitting, within the time required under the "Proof of Loss" section, written proof, or proof by any other electronic/telephonic means authorized by the Insurance Company, of the nature and extent of the loss.

Claimant Cooperation Provision

Failure of a claimant to cooperate with the Insurance Company in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Insurance Data

The Employer is required to cooperate with the Insurance Company in the review of claims and applications for coverage. Any information the Insurance Company provides in these areas is confidential and may not be used or released by the Employer if not permitted by applicable privacy laws.

Proof of Loss

Written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, must be given to the Insurance Company within 90 days after the date of the loss for which a claim is made. If written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, is not given in that 90 day period, the claim will not be invalidated nor reduced if it is shown that it was given as soon as was reasonably possible. In any case, written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, must be given not more than one year after that 90 day period. If written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, is provided outside of these time limits, the claim will be denied. These time limits will not apply while the person making the claim lacks legal capacity.

Written proof, or proof by any other electronic/telephonic means authorized by the Insurance Company, that the loss continues must be furnished to the Insurance Company at intervals required by us. Within 30 days of a request, written proof of continued Disability and Appropriate Care by a Physician must be given to the Insurance Company.

Time of Payment

Disability Benefits will be paid at regular intervals of not less frequently than once a month. Any balance, unpaid at the end of any period for which the Insurance Company is liable, will be paid at that time.

To Whom Payable

Disability Benefits will be paid to the Employee. If any person to whom benefits are payable is a minor or, in the opinion of the Insurance Company, is not able to give a valid receipt, such payment will be made to his or her legal guardian. However, if no request for payment has been made by the legal guardian, the Insurance Company may, at its option, make payment to the person or institution appearing to have assumed custody and support.

If an Employee dies while any Disability Benefits remain unpaid, the Insurance Company may, at its option, make direct payment to any of the following living relatives of the Employee: spouse, mother, father, children, brothers or sisters; or to the executors or administrators of the Employee's estate. The Insurance Company may reduce the amount payable by any indebtedness due.

Payment in the manner described above will release the Insurance Company from all liability for any payment made.

Physical Examination and Autopsy

The Insurance Company, at its expense, will have the right to examine any person for whom a claim is pending as often as it may reasonably require. The Insurance Company may, at its expense, require an autopsy unless prohibited by law.

Legal Actions

No action at law or in equity may be brought to recover benefits under the Policy less than 60 days after written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, has been furnished as required by the Policy. No such action shall be brought more than 3 years after the time satisfactory proof of loss is required to be furnished.

Time Limitations

If any time limit stated in the Policy for giving notice of claim or proof of loss, or for bringing any action at law or in equity, is less than that permitted by the law of the state in which the Employee lives when the Policy is issued, then the time limit provided in the Policy is extended to agree with the minimum permitted by the law of that state.

Physician/Patient Relationship

The Insured will have the right to choose any Physician who is practicing legally. The Insurance Company will in no way disturb the Physician/patient relationship.

ADMINISTRATIVE PROVISIONS**Premiums**

The premiums for this Policy will be based on the rates currently in force, the plan and the amount of insurance in effect.

Changes in Premium Rates

The premium rates may be changed by the Insurance Company from time to time with at least 31 days advance written notice. No change in rates will be made until 24 months after the Effective Date. An increase in rates will not be made more often than once in a 12 month period. However, the Insurance Company reserves the right to change the rates even during a period for which the rate is guaranteed, if any of the following events take place.

1. The Policy terms change.
2. A division, subsidiary, eligible company, or class is added or deleted.
3. There is a change of more than 10% in the number of Insureds.
4. Federal or state laws or regulation affecting benefit obligations change.
5. Other changes occur in the nature of the risk that would affect the Insurance Company's original risk assessment.
6. The Insurance Company determines the Employer fails to furnish necessary information.

If an increase or decrease in rates takes place on a date that is not a Premium Due Date, a pro rata adjustment will apply from the date of the change to the next Premium Due Date.

Reporting Requirements

The Employer must, upon request, give the Insurance Company any information required to determine who is insured, the amount of insurance in force and any other information needed to administer the plan of insurance.

Payment of Premium

The first premium is due on the Policy Effective Date. After that, premiums will be due monthly unless the Employer and the Insurance Company agree on some other method of premium payment.

If any premium is not paid when due, the plan will be canceled as of the Premium Due Date, except as provided in the Policy Grace Period section.

Notice Of Cancellation

The Employer or the Insurance Company may cancel the policy as of any Premium Due Date by giving 31 days advance written notice. If a premium is not paid when due, the Policy will automatically be canceled as of the Premium Due Date, except as provided in the Policy Grace Period section.

Policy Grace Period

A Policy Grace Period of 31 days will be granted for the payment of the required premiums under this Policy. This Policy will be in force during the Policy Grace Period. The Employer is liable to the Insurance Company for any unpaid premium for the time this Policy was in force.

Reinstatement of Insurance

An Employee's insurance may be reinstated if it ends because he or she is on an unpaid leave of absence. If an Employee's Active Service ended due to an approved leave pursuant to the Family and Medical Leave Act (FMLA) and Continuation of Insurance is not applicable, an Employee's insurance may be reinstated at the conclusion of the FMLA leave.

If an Employee's Active Service ends due to an Employer approved unpaid leave of absence, other than an approved FMLA leave, insurance may be reinstated only:

1. If the reinstatement occurs within 12 weeks from the date insurance ends, or
2. When returning from military service pursuant to the Uniformed Services Employment Act of 1994 (USERRA).

For insurance to be reinstated the following conditions must be met:

1. An Employee must be in a Class of Eligible Employees.
2. The required premium must be paid.
3. The Insurance Company must receive a written request for reinstatement within 31 days from the date an Employee returns to Active Service.

Reinstated insurance will be effective on the date the Employee returns to Active Service. If an Employee did not fully satisfy the Eligibility Waiting Period or the Pre-Existing Condition Limitation (if any) before insurance ended due to an unpaid leave of absence, credit will be given for any time that was satisfied.

GENERAL PROVISIONS

Entire Contract

The entire contract will be made up of the Policy, the application of the Employer, a copy of which is attached to the Policy, and the applications, if any, of the Insureds.

Incontestability

All statements made by the Employer or by an Insured are representations not warranties. No statement will be used to deny or reduce benefits or as a defense to a claim, unless a copy of the instrument containing the statement has been furnished to the claimant. In the event of death or legal incapacity, the beneficiary or representative must receive the copy.

After two years from an Insured's effective date of insurance, or from the effective date of any added or increased benefits, no such statement will cause insurance to be contested except for fraud or eligibility for coverage.

Misstatement of Age

If an Insured's age has been misstated, the Insurance Company will adjust all benefits to the amounts that would have been purchased for the correct age.

Policy Changes

No change in the Policy will be valid until approved by an executive officer of the Insurance Company. This approval must be endorsed on, or attached to, the Policy. No agent may change the Policy or waive any of its provisions.

Workers' Compensation Insurance

The Policy is not in lieu of and does not affect any requirements for insurance under any Workers' Compensation Insurance Law.

Certificates

A certificate of insurance will be delivered to the Employer for delivery to Insureds. Each certificate will list the benefits, conditions and limits of the Policy. It will state to whom benefits will be paid.

Assignment of Benefits

The Insurance Company will not be affected by the assignment of an Insured's certificate until the original assignment or a certified copy of the assignment is filed with the Insurance Company. The Insurance Company will not be responsible for the validity or sufficiency of an assignment. An assignment of benefits will operate so long as the assignment remains in force provided insurance under the Policy is in effect. This insurance may not be levied on, attached, garnisheed, or otherwise taken for a person's debts. This prohibition does not apply where contrary to law.

Clerical Error

A person's insurance will not be affected by error or delay in keeping records of insurance under the Policy. If such an error is found, the premium will be adjusted fairly.

Agency

The Employer and Plan Administrator are agents of the Employee for transactions relating to insurance under the Policy. The Insurance Company is not liable for any of their acts or omissions.

Ownership of Records

All records maintained by the Insurance Company are, and shall remain, the property of the Insurance Company.

LIFE INSURANCE COMPANY OF NORTH AMERICA
(herein called the Insurance Company)

AMENDATORY RIDER

**CLAIM PROCEDURES APPLICABLE TO PLANS SUBJECT TO THE
EMPLOYEE RETIREMENT INCOME SECURITY ACT (“ERISA”)**

The provisions below amend the Policy to which they are attached. They apply to all claims for benefits under the Policy. They supplement other provisions of the Policy relating to claims for benefits.

This Policy has been issued in conjunction with an employee welfare benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”). This Policy is a Plan document within the meaning of ERISA. As respects the Insurance Company, it is the sole contract under which benefits are payable by the Insurance Company. Except for this, it shall not be deemed to affect or supersede other Plan documents.

The Plan Administrator has appointed the Insurance Company as the named fiduciary for deciding claims for benefits under the Plan, and for deciding any appeals of denied claims.

Review of Claims for Benefits

The Insurance Company has 45 days from the date it receives a claim for disability benefits, or 90 days from the date it receives a claim for any other benefit, to determine whether or not benefits are payable in accordance with the terms of the Policy. The Insurance Company may require more time to review the claim if necessary due to matters beyond its control. If this should happen, the Insurance Company must provide notice in writing that its review period has been extended for:

- (i) up to two more 30 day periods (in the case of a claim for disability benefits); or
- (ii) 90 days more (in the case of any other benefit).

If this extension is made because additional information must be furnished, these extension periods will begin when the additional information is received. The requested information must be furnished within 45 days.

During the review period, the Insurance Company may require:

- (i) a medical examination of the Insured, at its own expense; or
- (ii) additional information regarding the claim.

If a medical examination is required, the Insurance Company will notify the Insured of the date and time of the examination and the physician's name and location. If additional information is required, the Insurance Company must notify the claimant, in writing, stating what information is needed and why it is needed.

If the claim is approved, the Insurance Company will pay the appropriate benefit.

If the claim is denied, in whole or in part, the Insurance Company will provide written notice within the review period. The Insurance Company's written notice will include the following information:

1. The specific reason(s) the claim was denied.
2. Specific reference to the Policy provision(s) on which the denial was based.
3. Any additional information required for the claim to be reconsidered, and the reason this information is necessary.
4. In the case of any claim for a disability benefit: identification of any internal rule, guideline or protocol relied on in making the claim decision, and an explanation of any medically-related exclusion or limitation involved in the decision.

5. A statement regarding the right to appeal the decision, and an explanation of the appeal procedure, including a statement of the right to bring a civil action under Section 502(a) of ERISA if the appeal is denied.

Appeal Procedure for Denied Claims

Whenever a claim is denied, there is the right to appeal the decision. A written request for appeal must be made to the Insurance Company within 60 days (180 days in the case of any claim for disability benefits) from the date the denial was received. If a request is not made within that time, the right to appeal will have been waived.

Once a request has been received by the Insurance Company, a prompt and complete review of the claim will take place. This review will give no deference to the original claim decision. It will not be made by the person who made the initial claim decision, or a subordinate of that person. During the review, the claimant (or the claimant's duly authorized representative) has the right to review any documents that have a bearing on the claim, including the documents which establish and control the Plan. Any medical or vocational experts consulted by the Insurance Company will be identified. Issues and comments that might affect the outcome of the review may also be submitted.

The Insurance Company has 60 days (45 days, in the case of any disability benefit) from the date it receives a request to review the claim and provide its decision. Under special circumstances, the Insurance Company may require more time to review the claim. If this should happen, the Insurance Company must provide notice, in writing, that its review period has been extended for an additional 60 days (45 days in the case of any disability benefit). Once its review is complete, the Insurance Company must state, in writing, the results of the review and indicate the Plan provisions upon which it based its decision.
