

EMPLOYEES HAVE QUESTIONS ABOUT MEDICARE

SGIA Medicare Consulting has answers to these Medicare questions.

We help employees and retirees save time and money - reduce claims, administrative costs, premiums, and improve coverage, free of any cost to you.

SGIA makes Medicare simple for employers and employees. We have worked with some of America's largest employers providing unrivaled service and support since 2007.

- Our expert Medicare consultants are licensed and trained to help you and your dependents make choosing the right plan simpler.
- Tap into our helpful educational and training resources.
- Actually speak to an expert to review your specific scenario.

SGIA Employer Medicare Resources: Medicare Assistance Program

Many times a Medicare plan is a better, less expensive option than the current group health plan offered. When you work with SGIA, you benefit by having knowledge, and it's all free.

- Unbiased individualized needs analysis for a Medicare plan selection.
- Expert information and advice simplifying Medicare programs.
- Offerings of all major Medicare plans in your area.
- Enrollment assistance and tracking process.
- Lower coinsurance and copay costs available.
- Annual Medicare plan reviews.

Let our licensed and certified Medicare consultants help you with a simplified purchase process for all major Medicare programs.
